with the written specification. No new matter is set forth in these drawings because the first two figures depict prior art systems already described, in detail, in the written specification (See Background and Detailed Description Sections), and Figure 3 depicts a block diagram of a telecommunication system that is already described, in detail, in the written specification at pages 15 through 17.

No fee is deemed necessary for this filing, but if one is required, please withdraw the appropriate amount from the D. Scott Hemingway Deposit Account No. 501270.

Respectfully submitted,

A handwritten signature in black ink that reads "D. Scott Hemingway". The signature is written in a cursive, flowing style with a large, prominent "D" and "H".
